

## **Presidents Report For 2020**

It gives me great pleasure to present the Directors Report fo 2020.

The club has been successfully led by our management team Mike, Cindy and very capable Administration Staff, during and after our shutdown, caused by Covid 19.

We have also had the ongoing support and advice from our financial advisers Cutcher and Neale.

Of course I must also mention our front of house and behind the scenes staff too. With their service and friendly attitude, it makes the club a pleasurable venue to visit.

Of course 2020 was a very different year experience for us all, we started with drought and fires then beautiful rain started to fall which changed our outlook but, then came the Pandemic which threw us into disarray. But with careful constraint of our finances and some government assistance, we were able to achieve a favourable result.

During the shutdown much was achieved by management and staff, including major cleaning of carpets. A lot of areas were freshened up with painting and new colour scheme in some areas, including our Entry Foyer and women's and men's bathrooms downstairs. A much needed renovation was completed in the upstairs bathrooms as well.

During 2020 when we were able to operate, we donated through Club Grants to various organisations for example, Meals on Wheels which was supplied right through our closure of nine weeks as this is a vital service to our community.

We also donated to other local sporting groups etc as well by way of our club finances, when available.

Our Strategic Plan was updated and continues to adopt recommendations put in place by Board, Senior staff and Financial Advisers.

We were able to recommence Club Bingo later last year when, Covid Restrictions were finally relaxed to allow more members to attend the club at any one time, and also practice required social distancing.

In January this year we were able to secure the services of a Head Chef, after advertising for some time. Tushar is gradually making changes with new ideas, and monthly specials which have been very well received by patrons.

I would like to offer my thanks to my fellow directors, and courtesy shown to me by all staff since August 2020.
